

DECOLIFE

DESIGNED FOR LIVING

Product catalogue 1405

Modern furniture, direct from the Decolife factory

— FROM FACTORY TO HOME

We don't sell sofas. We make the space you live in.

Decolife was born in Golestan, where the skilled hands of Iranian craftspeople met modern design. We are not a factory with a brand — we are a brand with a factory. Good design is no longer a luxury; it is your right.
